What About Catering And Beverages For Your Group?

Maybe you're looking for a casual BBQ, cocktail function, or gala dinner. The Bendigo Club's function team can cater for any type of event.

Our catering packages start from only \$10 per person and we have a multitude of different options available. Grab yourself one of our function information packages for further details or chat to any of our team.

Beverages are available at regular bar prices. We can either charge your group on consumption or to a pre-arranged tab. Let us know what items you'd like stocked in eskies beside the bowling green and we'll ensure they're full for the duration of your event.

All of our function packages and beverage lists are available on our website. Download the latest information at www.bendigoclub.com.au
