FUNCTION SPACES

Naismith Room

Available
from 9am-3pm

Room Hire

\$100 - up to 4 hours

The Naismith Room is our main function room. It includes a large outdoor deck area, bar (if required) and state of the art audio visual equipment. It's the perfect space for kids to run around in and includes a 110 inch projector screen that can be programmed to watch netflix or other kids movies of your choice. The room is ideal for parties from 40 to 100 people. We can also set the room with a range of bean bags and childrens furniture so that the kids can make the most of their day at the Club.

The Woodbury Room is the smaller of our spaces. It's better suited to less formal occasions or birthday parties from 20-40 children. It is available until 5pm every day and is a more economical option if you're looking for something a little more relaxed. The Woodbury Room has a projector that's suitable for slideshows or presentations. Bar service is available from the bistro bar (if required). We can also set the room with a range of bean bags and childrens furniture so that the kids can make the most of their day at the Club.

Woodbury Room

Available
from 9am-5pm
