WHAT TIER AM I?

Your level is displayed at any of our membership kiosks and also when you insert your members card into our gaming machines. Staff can also let you know your tier at any of the tills in the venue.

Your name will have a letter displayed after it. This is the first letter of the tier you currently belong to, S for Silver, G for Gold, P for Platinum and D for Diamond.

Your tier is based on the number of status points you have accrued in the three months prior to this date. Therefore, going away for that family holiday or South Pacific cruise wont mean you'll immediately lose your status.

Level	Min Points
Diamond (D)	8,000
Platinum (P)	4,000
Gold (G)	2,000
Silver (S)	0
